

To people operating stores

January 25th, 2022 New

**“Preventative measures against the spread of disease”
have been applied (1/27~2/20).**

Preventative measures against the spread of disease are applied to municipalities with 1.5 or more new positive cases per 10,000 population in the last week.

【Request from the prefecture】 Please cooperate in shortening business hours.

Target businesses	All restaurant establishments in Ibaraki. ※Takeout, delivery and dine-in convenience stores are not subject to the request and may operate as normal.
Request Details	Please select either (1) or (2) for each restaurant at the beginning of the request period. (1) Refrain from operating after 8:00 p.m. and stop serving alcoholic beverages (including bringing them in). (2) Refrain from operating after 9:00 p.m
Provisions for the cooperative subsidy (restaurants that cooperate for the entire request period are eligible)	In case of (1): 30,000-100,000 yen (calculated according to sales) In case of (2): 25,000-75,000 yen (calculated according to sales) Large companies are also eligible (to be calculated at a later date). Applications for cooperative subsidy will be accepted in mid-February.
For inquiries	For inquiries on the Ibaraki Prefecture request to shorten business hours and for the cooperative subsidy [For Inquiries] 029-301-5393 [Hours Open] 9:00 to 17:00 (Weekdays only) Only available in Japanese
